LIBRARY NEWS
Welcome to another year in our LDC (LIBRARY DISCOVERY CENTRE). Please ensure child brings their library bag on their scheduled library day so they may make full use of our wonderful resources and facility.

We will kick off the year with celebrating 'LIBRARY LOVERS DAY' on Friday 14th February. We are asking all students to organise a “SHELFIE” photo of themselves (and family) reading in front of their book shelf at home. You can be as creative as you wish. Please either send in a printed copy or email it to school at tdukes@stberwick.catholic.edu.au The Book Week Theme this year is ‘CONNECT TO READING’ so we are hoping to connect our home libraries and school library with our display.

FYI: Our Book Fair this year is scheduled for during the midyear Parent Teacher interviews.

Many thanks for your continued support for our LDC.

Tricia Dukes and Debbie Carpentier
